

MEDIA RELEASE WAIVER

A University of Iowa student or team of students is working in your community on a project about [Title and/or topic of project, e.g., Parks and Recreation Action Plan]. Their work is part of a partnership between the University of Iowa's Initiative for Sustainable Communities (IISC) and your community.

They are documenting their work through photographs and video. By signing this waiver, you agree to allow photos and video to be taken of yourself and/or children for whom you are a guardian for the purposes of a) project documentation that will be part of work evaluated by a university faculty member, and b) IISC to share on their communications channels, i.e., newsletters, website, and social media, to help promote and celebrate the work of UI students.

If you have any questions, feel free to contact the director of IISC, Travis Kraus, at travis-kraus@uiowa.edu.

Yes, I give permission for my photograph and/or video likeness to be used by University of Iowa students and IISC in academic work and in promotions of this project.
